

TIMMY BADEJO

CURRICULUM VITAE | VISUAL COMMUNICATION & DIGITAL DESIGN

Vancouver, BC | 236-662-9328 | timmybad06@gmail.com | timmybad.com

PROFESSIONAL PROFILE

Visual communication designer and front-end designer/developer based in Vancouver, BC. My work combines graphic design, web design, brand systems, UI/UX thinking, and digital implementation. Through Canadian design and volunteer experience, I have produced print, event, and digital materials that support real organizations, real audiences, and clear communication goals.

AREAS OF PRACTICE

Graphic & Visual Design

Layout, typography, composition, digital graphics, print collateral

Brand Systems

Identity applications, colour systems, guidelines, visual consistency

Web & Interface Design

Responsive page layouts, user flows, wireframes, prototypes

Front-End Design / Development

HTML, CSS, JavaScript, React, interactive web implementation

CANADIAN DESIGN & VOLUNTEER EXPERIENCE

Visual Communication Designer / Communications Intern | BC Recreation & Parks Association (BCRPA)

Vancouver, BC | Jan 2026 - Mar 2026 | 300-hour practicum placement

- Supported BCRPA's communications and brand implementation work through print, digital, event, and organizational design deliverables.
- Created and refined Symposium materials including registration banners, welcome signage, business cards, thank-you cards, delegate bag graphics, awards and certificate layouts, and event-support pieces.
- Produced brand-launch applications such as letterhead options, reusable templates, patch/sticker concepts, program banners, and supporting digital graphics.
- Worked within a professional feedback and review process, discussing direction with communications staff, revising concepts, and preparing approved files for final organizational use.
- Applied practical production thinking including dimensions, visibility, print readiness, brand colours, type hierarchy, logo placement, and consistency across multiple touchpoints.
- Built experience adapting a refreshed visual identity into clear communication assets for recreation, parks, health, education, and event audiences.

Symposium Volunteer | BC Recreation & Parks Association (BCRPA)

Vancouver, BC | Apr 2026

- Supported event preparation and setup for the BCRPA Symposium, contributing to a professional in-person conference environment.
- Gained additional first-hand context for how branded event materials, signage, and operational details function in a live setting.

Volunteer Visual Communication Designer | Winners Chapel International Vancouver

Vancouver, BC | Jan 2024 - Dec 2025

- Created visual communication materials for weekly services, events, announcements, and digital outreach.
- Supported consistent presentation through clear layouts, imagery, text hierarchy, and communication-focused graphic design.
- Developed reliability and turnaround discipline by responding to recurring design needs in a community organization setting.

EDUCATION

Diploma, New Media Design & Web Development | British Columbia Institute of Technology (BCIT)

British Columbia, Canada | Completed March 2026 | Graduation Ceremony: June 2026

Focused training in visual design, UI/UX, branding, front-end web development, responsive design, motion graphics, digital product thinking, prototyping, and professional portfolio development.
