Logo Construction

Logo design Overview

The logo prominently features the company name “KVDST RECORDS” with a unique font style that sets it apart. The emphasis is on clean, modern typography.

Customized font specially chosen to represent the brand’s identity. It’s designed to be distinct and easily recognizable.

Visual Focus

The simplicity of the design, focusing on the company name, indicates a minimalist and modern approach, aimed at creating a strong brand identity through typography.

Main Feature: The name “KVDST RECORDS” in a unique font style.

Color: Monochromatic, likely gray or black.

Design Approach: Minimalist and modern, emphasizing clean typography to establish brand identity.

This logo design is well-suited for a music label, as it emphasizes clarity and brand recognition through its text-focused approach.
